10.24 (c) For each 12-month period beginning July 1, 2009, a licensed organization will  
10.25 be evaluated by the board to determine a rating based on the percentage of annual lawful  
10.26 purpose expenditures when compared to available gross profits for the same period. The  
10.27 rating will be used to determine the organization's profitability percent and is not a rating  
10.28 of the organization's lawful gambling operation. An organization will be evaluated  
10.29 according to the following criteria:

11.7 one year. The organization must increase their rating to a minimum of 30 percent or be  
11.8 subject to sanctions by the board. If an organization fails to meet the minimum after a  
11.9 one-year probation the board may suspend the organization's license or impose a civil  
11.10 penalty as follows:

11.11 (1) in determining any suspension or penalty for a violation of this paragraph, the  
11.12 board must consider any unique factors or extraordinary circumstances that caused the  
11.13 organization to not meet the minimum rate of profitability. Unique factors or extraordinary  
11.14 circumstances include, but are not limited to, the purchase of capital assets necessary to  
11.15 conduct lawful gambling; road or other construction causing impaired access to the lawful  
11.16 gambling premises; and flood, tornado, or other catastrophe that had a direct impact on the  
11.17 continuing lawful gambling operation; and
