Proudly Serving Charitable Gambling Organizations Throughout Minnesota

Virtually every community in Minnesota benefits from Charitable Gambling. Proceeds from bingo and pull-tabs build community and recreational facilities and provide activities for kids ... scholarships and computers for our schools ... recognition and care for our veterans and senior citizens ... and provide emergency equipment to protect your community.

These examples show why community based Charitable Gambling is one of the most successful fund-raising activities for Minnesota non-profits.

Last year 1,500 Charitable Gambling organizations returned \$70 Million dollars to their communities.

And since 1985 Charitable Gambling organizations returned \$1.3 Billion dollars for local community needs while paying \$830 Million dollars in state gambling taxes.

Now Minnesota non-profits are asked to do even more - please remember that Charitable Gambling dollars spent in your local establishments benefit your community.

Charitable Gambling is Indeed the Best Bet for Your Community.
