

Can we set up our booth/bar op in the parking lot and open on June 1? *Not without the approval of the municipality that issued the premise permit expanding it to include parking lot sales.*

Can't we just open up our booth/bar op in the bar/restaurant as people enter to go to a patio? *No. Sales are not to be made within the confines of the building.*

Are any of the rules/regulations being waived? *No. As an example, a signature is still required on prize receipts and paper pull tabs must be available for sale if electronic pull tabs are being offered.*

Will the GCB be more understanding if fund losses occur in outdoor settings? *No. All precautions that are taken to protect and secure the cash/games inside the building need to be taken outside of the building as well.*

Can we open our booth/bar op at 12:01 am on June 1st? *Yes. Those receipts would then be posted along with the rest of the June 1 sales.*

Are the licensed organization employees required to wear masks when working? *Yes.*

Are bar/restaurant patrons required to wear masks? *No, but it is strongly recommended per the Minnesota Stay Safe Plan/Covid-19 Updates and Information dated 5/20/2020.*

Can we move money from the gambling fund to the general fund? *Not unless you are already allowed to do so. That was a provision of the GCB Covid-19 response bill that did not get voted on by the House.*

In the outdoor setting can our method of selling be mobile (as from a cart) and move from table to table? *Yes*

Can customers go inside to purchase electronics? *No. This is per the Governor's announcement allowing bars and restaurants to open for outdoor seating only.*

Can a bar put the pull-tab box in a window with the flare on the window, and if the customer wants to buy pull-tabs, they tell a waiter that they would like to purchase them? *No. Customers will not be allowed to give money to wait staff that would go inside to purchase pull-tabs on their behalf.*

Can a bar have a window that opens to the outside and sell paper pull-tabs to customers who come up to the window? *Yes.*

How many paper pull-tab deals need to be available to customers in order to also sell electronic pull-tabs? *One. The pull-tab game can have regular multiple window tickets or jar tickets.*

Will customers be allowed to go inside a bar/restaurant to purchase pull-tabs from a pull-tab dispensing device if they take the tickets back outside to open them? *No. Customers may not go inside to purchase pull-tabs from a dispensing device or from a person. Organizations would be allowed to bring the dispensing device outside if they're able to do so. The pull-tab dispensing device would need to be in a location where it's visible by the bar/restaurant's staff.*
